

For the good of the Land . . . and the Soul

Shaver Lake Volunteers

Who are we?

Shaver Lake Volunteers is a local, not-for-profit organization. We are a group of outdoor enthusiasts who work to develop additional opportunities for active recreation in the area. We build and maintain trails for hiking, mountain biking, horseback riding and cross-country (Nordic) skiing. More trails are developed each year. *You could join us!*

We have scheduled trail workdays during the summer, and all are welcome to join us. Our annual shoreline cleanup is scheduled for Thursday, May 16th. *You could join us! (Meet at the turnout on 168 by the lake, the bathroom parking lot, at 9am. Bags and pick up tools will be provided.)*

We built the Visitor Information kiosk in front of the community center for the benefit of locals and tourists.

We make money for all our tools and equipment by recycling cans and bottles from Camp Edison.

We also publish a trail map, 11" x 17", pre-folded on water-resistant paper. It is available locally for about \$3.00.
